Hi my name is Martin power I'm a newly elected Cllr in the higher blackley area, I would like to bring your attention the amount of feeling around the proposed building a what is now being called by the residents a mega church.

I've had over 100 comments on the higher blackley community page that people are very unhappy with the proposed building. Their concerns are their area is already heavily congested parking is going to be an issue there are many other churches in the area.

They're also unhappy that this church is being moved from another area from Salford and then being built up here.

They don't feel they're being consulted on the issue properly and are very concerned about this huge impact it will have on the amount of people in and out of their area.

Please advise of where we go from here,

Thank you for all you do
