Turret Mounting

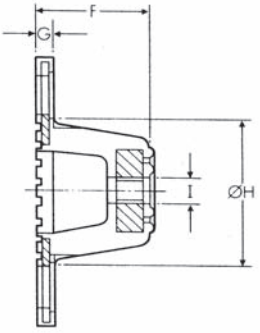

Turret Mountings - Designed primarily for the HVAC industry, they are a low cost product, ideal for static applications. The rubber completely encapsulates the metal parts to avoid corrosion problems. Giving relatively high levels of deflection, they offer good levels of vibration reduction, even at low running speeds.

Applications Include: HVAC, Fans, and Pumps etc.

TYPE	A	B	C	D	E	F	G	H	I
	mm	mm	mm	mm	mm	mm	mm	mm	mm
