Community Infrastructure Levy

Information on the CIL charges can be found on the local authority website. In London both Mayoral and local borough CIL charges may be applicable.

Your answers below, and in the application, will enable the local authority to establish if your development is liable for a charge and to calculate it accurately.

Further information on CIL, and what to do if you are liable can be found on the Planning Portal.

It is an offence for a person to knowingly or recklessly supply information which is false or misleading in a material respect to a collecting or charging authority in response to a requirement under the Community Infrastructure Levy Regulations (2010) as amended (regulation 110, SI 2010/948). Hi Stephen,

Apologies for the delayed response here. I have had time to discuss the proposed use internally and can now confirm that I conquer with your position that the proposed use is that of Class E and thus no change of use is required.

I hope this is of use to you. Should you have any further queries about the application site please do not hesitate to contact me.

Kind regards,

Michael
