General Notes
Assumed foul drainage and rainwater drainage. To be confirmed on site by contractor.

Structural calcs to take precedent on all drawings. Please refer to structural calculations for confirmation of sizes of Rafters, Joists and Beams.

Check lintels for suitability and replace where needed.

Existing structure to be checked for suitability of new loading before the commencement of any works

Exact depth of new foundations to be determined on site.

Before commencement of the works, the contractor must check and verify all buildings and site dimensions and levels, all relevant sewer outfalls, invert levels and connection points.

Building Regulations Drawings & Specification notes to be used as guidance only and not to be solely relied on for construction purpose.

CDM REGULATION
CDM Regulation will apply to the project which would require under Health & Safety Legislation. Client shall be responsible for appointing a Planning Supervisor under the Health & Safety Legislation to oversee all site works and ensure compliance with required legislation.
