CRI8 Design Studio Ltd trading as CRI8 Studio does not warrant or take responsibility for any costs, losses, damages or claims arising from the use of information contained in any supplied document unless there is full compliance by the intended recipient or user with the following:

1. All boundaries, dimensions and levels are to be checked on site before construction and any discrepancies reported to the Architect / Designer prior to commencement of any works.
2. Partial Service: Any discrepancies with any other information is to be advised to the Architect / Designer and direction and / or approval is to be sought before the implementation of the detail.
3. Block and site plans are reproduced under license from the Ordnance Survey.
4. This drawing is issued for the purpose of the current project only and is not to be used for its implementation and report any discrepancies to the Architect / Designer. The information must solely and only be used for the coordination and/or construction of the current project.
5. The recipient is responsible for verifying the correctness and completeness of the information issued. This should be done by consulting all relevant associated documents including but not limited to all consultant's information, Health & Safety File, Building Control Officer, Fire Officer, Fire Association, Highways Consultant, Flood Risk Assessor, Party Wall Assessor and any other project designers / consultants supplied during the course of the project and by confirming dimensions on site.
6. It is the responsibility of the recipient to ensure they have the most up to date information.
7. If altered or added to in any way, all references to CRI8 Studio must be removed and those making the changes assume total responsibility for the information thereon.
8. The Architect does not warrant that planning permission, Building Control/Building Safety, Fire Officer, Fire Association, Party Wall Assessor or any other approval will be granted, or granted will be granted in accordance with any anticipated timescale. All designs provided are subject to such approvals.
9. Any detailed building design provided by CRI8 Design Studio Ltd trading as CRI8 Studio is in relation to indicative design sheet only and CRI8 Design Studio Ltd trading as CRI8 Studio shall have no contractual or insurance liability for such design howsoever provided.
10. This drawing shall not be used for "tender or construction" purposes unless noted other wise.
11. Do not scale off drawings. Any measurements taken from information which is not dimensioned on the electronic copy are at the risk of the recipient.
