Sue,

An extension of time for the NMA is agreeable. Can we discuss the items in relation to Louvres and Drainage next week so that we can put a plan in place that works for all parties.

Many thanks,

Dean

Dear Dean,

As discussed earlier , I would recommend a time extension is sought whilst we go through all of the changes sought within the above NMA , as I anticipate that any elements related to the installation of louvres (if these were not shown on the originally approved plans), and any changers required to condition no.12 Drainage will not be able to be considered through the NMA process .
Please can you advise how you wish to proceed , as the current determination date is 18th August 2026.

Kind regards,
