Location:

477 Barlow Moor Road Manchester M21 8AG

Application reference:

PLA-2026-000892

Applicant:

Mr Waqas Khawaja

Date of application:

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **refused** in accordance with the application and plans submitted for the reasons listed below.

Article 35 Declaration

The application has been determined within the statutory timescale. In this instance the principle of the application proposal is contrary to the adopted development plan and are not considered to improve the economic, social or environmental conditions of the area. It is not considered, in this instance, that amendments could be made that would make them acceptable. The applicant's agent was informed of these concerns prior to the determination of the application.

Reason(s) for decision

1) The proposed steel-framed canopy and associated roller shutters would, by reason of their substantial scale, projection, permanent form, wrap-around design and prominent siting on a detached corner building, fail to appear as subordinate shopfront additions and would instead constitute visually dominant and incongruous features. The development would obscure and diminish the architectural form and visual prominence of the host building, introduce an overly utilitarian appearance into the street scene and, through the introduction of external roller shutters, create a more closed and inactive frontage at this prominent location within Chorlton District Centre. As such, the proposal would fail to respond positively to local character, would not achieve a high standard of design and would harm the character, appearance, vitality and visual amenity of the surrounding area. The proposal is therefore contrary to Policies DM1, EN1, C2 and C6 of the Manchester Core Strategy, Policy JP-P1 of Places for Everyone, the Manchester Shopfront and Signage Design Guide and Policies TC2, TC4 and DP3 of the National Planning Policy Framework.

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.
