Lucy,

FYI and as discussed. These would just be reflected as developer's costs in the re-test.

Thanks

Hi [REDACTED]

I can confirm that these costs would not have a material impact on our viability findings.

If you need anything further please let me know.

Kind Regards

See below from planning, we just need confirmation that the below figures, being additional costs to the developer on each plot, do not have a material impact on your assessment of the planning stage financial viability review and should be picked up as part of the late stage review?

Thanks

Hi [REDACTED]

As discussed, the applicant is going to make a financial contribution on each of the above schemes towards restoration measures at Holcroft Moss under Policy JP-C8 (Transport Requirements of New Development) of Places for Everyone. The amounts for each scheme are as follows:

137226 Plots C & E - £64,602

137227 Plot D - £23,899.

Please would you ask Savills to comment on whether these payments would have an impact on the conclusions of the viability assessments.

Many thanks

Lucy
