Notes:
Drawings are based on survey data and may not accurately represent what is physically present.
Do not scale from this drawing. All dimensions are to be verified on site before proceeding with the work.
All dimensions are in millimeters unless noted otherwise.
Purcell shall be notified in writing of any discrepancies.

Key Plan

DRAWING NOTES

Subcontractors should verify all measurements independently and account for any necessary tolerances

All dimensions for blinds and blind boxes to be confirmed by subcontractor on site before order or manufacture.

Existing and new blind boxes and reveals to be site measured to confirm blind will fit and function when installed.

Where possible new blind box profiles to be sourced from existing matching profiles noted to be used for donor material

Refer to FF&E Plans OTH-PUR-TH-LG-DWG-A-5206 - 5232 for Detail type locations

Refer to Blinds and curtains schedule OTH-PUR-TH-ZZ-SCH-A-5237 for window dressing types

Refer to OTH-PUR-TH-ZZ-SPE-A-5920 for curtain and blind specifications
