Copyright of all material produced by studio_néo remains the intellectual property of propertysign limited t/a studio_néo. There is no automatic right to reproduce material without prior licence arrangements being agreed in addition to fees for other services rendered. If design work is produced in connection with any form of presentation for the purposes of winning work where a prior fee has not been agreed and we are in competition with others to win the work order then any ideas, concepts or design work in whole or in part remains strictly the copyright of studio_néo and the author- no element of that concept or set of ideas shall be given to others to reproduce in any form whatsoever. Legal proceedings may be taken against Clients who breach this condition.
