Notes: 19/04/2024 17:22:18

Drawings are based on survey data and may not accurately represent what is physically present.

Do not scale from this drawing. All dimensions are to be verified on site before proceeding with the work.

All dimensions are in millimeters unless noted otherwise.

Purcell shall be notified in writing of any discrepancies.

Shading denotes areas of staining/ heavy sulphation to be cleaned using ammonium carbonate poultice as C40-355B (where Thermatech has not been successful). NOTE this drawing shows typical areas of staining and the extent of cleaning proposed to a selection of 4 nr. statues only. There are 16 nr. statues in total.
