CLIENT DECLARATION AND OPERATING COMMITMENT

9 Knowsley Street, Cheetham Hill, Manchester

I confirm that I have been informed of Manchester City Council's latest planning comments regarding the proposed use of 9 Knowsley Street.

I understand that the principal use of the premises is to operate as a wholesale cash-and-carry, with any retail, butcher, bakery and food-production activities remaining ancillary and subordinate to that main use.

I confirm that:

• the wholesale cash-and-carry will remain the principal activity;

• the retail, butcher and bakery elements will remain secondary and will not operate as separate independent businesses;

• the premises will retain a clear wholesale and warehouse character through stockholding, bulk sales, deliveries and servicing; and

• the business will operate in accordance with the final planning submission and any planning conditions imposed by Manchester City Council.

I confirm that the above reflects the intended operation of the business.
