Afternoon Lea,

Thank you for the opportunity to discuss the application earlier today and providing further information.

In relation to application PLA-2026-001179 (Kentucky Fried Chicken, 83 Piccadilly), Greater Manchester Police (GMP) wishes to formally object to the proposed licence extension.

This specific location presents significant challenges for GMP due to disproportionately high levels of crime and anti-social behaviour. Piccadilly is a high-crime area, an analysis of local crime data reveals a high volume of offences associated with this type of premises in these locations and the wider Piccadilly area, far exceeding that of any other business in the vicinity.

Furthermore, crime patterns show a clear spike in the evenings. Extending the operating hours will inevitably exacerbate these issues and generate further disorder. Consequently, GMP strongly opposes the extension.

Kind regards
