Article 35 Declaration

In assessing the merits of a planning application officers will seek to work with the applicant in a positive and proactive manner to seek solutions to problems arising in relation to dealing with the planning application. In this instance, the local planning authority had no issues to raise with the agent but have attached appropriate conditions to the approval.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

   Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

   · Location Plan with application site edged in red;

· Location Plan with application site edged in red, and Proposed Site Plan, (DR) A204;

· Proposed Plan (DR) A200, Rev A;

· Proposed Elevations (DR) A201, Rev A;

· Proposed 3D Views (DR) A202 Rev A; and

· Proposed GA/3D Plan (DR) A203 Rev A; all received by the City Council as the Local Planning Authority on 22 June 2026,

Reason - To ensure that the development is carried out in accordance with the approved plans; pursuant to policies SP1 and DM1 of the Core Strategy (2012).

3) The external facing materials to be used on the extension hereby approved shall match those of the original dwellinghouse.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to saved policies DC1 of the Unitary Development Plan for the City of Manchester (1995) and policies SP1 and DM1 of the Core Strategy (2012).

4) Notwithstanding the provisions of Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and reenacting that Order with or without modification), no windows, doors or other openings shall be inserted into the elevations of the extension hereby approved other than those shown on: Proposed Plan (DR) A200, Rev A; Proposed Elevations (DR) A201, Rev A; Proposed 3D Views (DR) A202 Rev A; Proposed GA/3D Plan (DR) A203 Rev A; all received by the City Council as the Local Planning Authority on 22 June 2026, without planning permission being granted by the Local Planning Authority.

Reason - To use the approved development for any other purpose would result in an over intensive use of the property to the detriment of residential amenity, pursuant to policy SP1 and DM1 of the Core Strategy, and for the avoidance of doubt, as any proposal to use the extension as a separate self-contained residential unit, or business would require planning permission.

7) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the exceptional circumstances of a proliferation of HMOs and short term lets restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through the provision of

accommodation that is suitable for people living as families pursuant to paragraph 7.4 of the Guide to Development in Manchester: Supplementary Planning Document and Planning Guidance, the National Planning Policy Framework and policies SP1 and DM1 of the Core Strategy for the City of Manchester.

This decision relates to the extension or improvement of an existing dwellinghouse, falling within Class C3 of the Town and Country Planning (Use Classes) Order 1987 (as amended) and does not infer or imply approval for the use of the property for any other purpose.

www.manchester.gov.uk/planning-and-regeneration/guide-to-development/article-4-directions

If you intend to use the property to which this decision relates for any purpose other than a dwellinghouse, you should first contact Manchester City Council's Planning Service. Failure to obtain any necessary planning permission prior to carrying out a material change of use or physical development could result in enforcement action being taken, which can have serious implications.
