We cannot accept any responsibility for any damage caused when delivering or collecting a container off the Public Highway. When a container is placed in the street, highway or other potentially dangerous position, the customer is responsible for warning signs and/or lights to be placed by the container and to obtain any necessary permits. Rubbish must not be burned in a container and damage so caused will be the customer's liability. Customer are reminded that only containers with level loads can be serviced. Overall containers may be subject to surcharge and unloaded to a safe level. The Duty of Care S.34 of EPA90 requires both parties to retain this Transfer note for a minimum period of two years. All business is conducted in accordance with our terms and conditions – copies of which are available on request. I certify the waste collected falls into category number and description shown above and the work has been carried out to my satisfaction.
