MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development, and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

MANCHESTER CITY COUNCIL

Town & Country Planning Act 1990 (as amended)

Planning Permission

Part 1 – Particulars of the application/development

Proposal:

Installation of an external extraction flue to the rear and the provision of a fire exit.

Location:

Unit 4 35 Broughton Street Manchester M8 8LZ

Application reference:

PLA-2026-001159

Applicant:

Mr Parvez Iqbal Supremetrends Ltd

Date of application:

18 August 2026

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. Officers have worked with the applicant/agent in a positive and proactive manner, and appropriate conditions have been placed on the approval granted.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

   Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

   Drawings:

   -Location Plan, received by the City Council as Local Planning Authority on 28 July 2026.

-Proposed Combined Plans, ref: BROUGHTON-02-20 1A, received by the City Council as Local Planning Authority on 18 August 2026.

Documents:

-Application Form, received by the City Council as Local Planning Authority on 28 July 2026.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to saved policies DC26 of the Manchester City Councils Unitary Development Plan and policy DM1 & SP1 of Manchester's Local Development Framework: The Manchester Core Strategy.

3) a)Notwithstanding the details submitted with the application, prior to the installation of the external extraction flue to the rear hereby approved, either a scheme that demonstrates that the external extraction flue to the rear will achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location, or a scheme showing a method to acoustically treat/insulate the external extraction flue to the rear so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location, shall be submitted to and approved in writing by the Local Planning Authority.

b) Prior to the first operation of the external extraction flue to the rear, a verification report, which will include post-completion testing, shall be submitted to and approved in writing by the Local Planning Authority to validate that the external extraction flue to the rear achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location.

c) In the event of non-conformity with a rating level of 5dB (LAeq) below the typical background (LA90) at the nearest noise sensitive location, then any measures/changes required to achieve conformity shall be carried out. Any required measures/changes and verification shall continue until conformity has been achieved and agreed in writing by the Local Planning Authority, before operation of the external extraction flue to the rear can commence.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site. Pursuant to policies SP1 and DM1 of the Core Strategy and saved policy DC26 of the UDP.

4) Notwithstanding the details submitted with the application, prior to first use of the development hereby approved a scheme for the extraction of any fumes, vapours and odours from the premises shall be submitted to and approved in writing by the

Local Planning Authority. The approved scheme shall be implemented before the use commences and shall remain operational thereafter.

Reason - In order to ensure the efficient dispersal of cooking odours from the premises in the interests of the amenity of neighbouring occupiers and to ensure that any ventilation flues/ducting can be accommodated without detriment to character and appearance of the host building and the surrounding area in accordance with policies SP1 and DM1 of the Core Strategy and the National Planning Policy Framework.

5) The materials used in the external surfaces of the development relating to the fire exit hereby approved shall be as follows:

-Alumimum fire escape door

-Fixed concrete steps

Reason - In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies SP1 and DM1 of the Core Strategy and the requirements of the National Planning Policy Framework.

6) Prior to becoming operational, the fume extraction flue hereby approved within details shown in 'Proposed Combined Plans, ref: BROUGHTON-02-20 1A', shall be coloured black and be retained and maintained for the life of the development thereafter.

Reason- To safeguard visual amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address: www.manchester.gov.uk/roads-and-transport/street-naming-and-numbering

Change of use

The plans submitted are inconsistent in respect of the existing and proposed use of the site. The current approval does not convey consent for the uses as referenced and appropriate permission for the change of use is required.

Mining
Please see information relating to mining in Appendix A.

Date: 13 October 2026

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

   The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

   The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

   If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

   In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.

Appendix A - Mining Information

Mining Remediation Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: Mining Remediation Authority - GOV.UK

Standing Advice valid from 1st January 2025 until 31st December 2026
