Sister Plot H

Hi Jennifer,

Hope you are well. I am emailing because I have had four constituents already request that the planning permission for the Sister Plot H development site be examined in greater detail due to several reasons. I know that you have been CC'd on these communications and I wanted to add my voice to those calling for scrutiny. I feel that our constituents have made their reasons clear and that these should be scrutinised more closely.

Many thanks,
Ross
