Emma

Have you got an Arb Impact Assessment and Arb Method Statement, showing how you will work around the trees without damaging them?
Ie. Tree protections, method statement for how they will work around the RPA (Root protection area,) etc.

Thanks

Hi Jen,

I hope you are well. Thanks for following up internally on the Plot H application which was validated earlier this week (ref. PLA-2026-000312).

We would be grateful if you could share any consultation comments as and when they come in.

Have a nice weekend when it comes to it.

Kind regards,
