Good morning Dave,

I have had a read through the document and as per our previous discussions, it would appear that there is only minor pruning work proposed.

2.5m lateral reductions from the property to allow clearances for necessary proposed work.

From an arb perspective, there does not appear to be anything that we would object to.

Kind regards

[REDACTED]

An oldie this one, did you respond to the email below as I can't find a response.

It might well be going to committee so a response in the next couple of days would be great if possible.

regards
