General Notes

1. For references and descriptions to work items, refer to separate Architectural Specification document.
2. All dimensions must be checked on site before proceeding. Dimensions of new work are to be adjusted to suit the existing where necessary. Do not assume that the existing structure or details are plumb, square or level.
3. Any discrepancies to be brought to the Architects attention as soon as possible.

Design Notes

01 For details of camera fixing locations refer to submitted drawings by security sub-contractor [Mitie]

02 Exact number and length of mechanical fixings to be as manufacturer recommendations.

03 Existing construction build-ups are assumed. No intrusive surveys have been carried out to validate construction.
