

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development, and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Town & Country Planning Act 1990 (as amended)

Planning Permission

Part 1 – Particulars of the application/development

Proposal:

Variation to condition 30 (Use of Building) attached to planning permission 143450/JO/2025 to allow use of building outside of term time

Location:

Land Bounded By Upper Brook Street, Cottenham Street & Kincardine Road Manchester M13 9TD

Application reference:

143469/JO/2025

Applicant:

McLaren Property (UBS 1) Ltd

Date of application:

16 July 2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. The proposal is considered to be acceptable and therefore determined within a timely manner.

Condition(s) attached to this decision

- 1) The development must be begun not later than the 29 November 2027. Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.
- 2) The development hereby approved shall be carried out in accordance with the following drawings and documents: Drawings and documents approved as part of planning application Drawings and documents approved as part of 143469/JO/2025 Accommodation Management Plan received by the City Council, as Local Planning Authority, on the 6 October 2025 Drawings and documents approved as part of 143450/JO/2025 Drawings UBS-RFM-XX-00-DR-L-0101, UBS-RFM-XX-00-DR-L-0105, UBS-RFM-XX-00-DR-L-0106, UBS-RFM-XX-00-DR-L-0107, UBS-RFM-XX-00-DR-L-0108, UBS-RFM-XX-00-DR-L-0109, UBS-RFM-XX-XX-DR-L-8001, UBS-RFM-XX-XX-DR-L-8002 and UBS-RFM-XX-XX-DR-L-8003 received by the City Council, as Local Planning Authority, on the 15 July 2025 BM-8498-01 Kadans BNG Metric, BM-8498-02 Whole Site BNG Metric Biodiversity Net Gain (BNG) Update Note, Utility Survey Plan with SUDS Overlay and Site Logistics Plan received by the

Pursuant to policies SP1 and DM1 of the Core Strategy.

- 3) The following definitions are applicable in this planning permission as reference on drawing UBS-SRA-ZZ-00-DR-A-02-002 P01 'Site Plan - Proposed' prepared by Sheppard Robson received by the City Council, as Local Planning Authority, on the 26 June 2023 - Plot B - Sci-Tech Building and associated landscaping and public realm - Plot C - PBSA Building and associated landscaping and public realm Reason - To allow relevant conditions to be discharged on a plot basis. For the avoidance of doubt this is not a phased planning permission pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).
- 4) (a) The vegetation clearance at the Sci-Tech Building shall be carried out in accordance with the Report received by the City Council, as Local Planning Authority, on the 25 April 2025 (as approved under CDN/25/0396). Any method

statement shall then be implemented for the duration of the demolition works (b) No vegetation clearance shall take place at the PBSA plot during the optimum period for bird nesting (March - September inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works. Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy (2012).

5) DELETE

- 6) All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work". Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

- 7) (a) The construction management at the PBSA plot shall be carried out in accordance with the Safety, Health, Environmental, Quality Plan' ('SHEQ Plan') received by the City Council, as Local Planning Authority, on the 31 July 2025 (as approved under CDN/25/0739). Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended. The PBSA plot of development shall be carried out in accordance with the approved construction management plans for the duration of the demolition and construction parts of the development. (b) The construction management at the Sci-Tech plot shall be carried out in accordance with the Method statement received by the City Council, as Local Planning Authority, on the 28 August 2025 (as approved under CDN/25/0822). Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended. The Sci-Tech plot of the development shall be carried out in accordance with the approved construction management plans for the duration of the demolition and construction parts of the development. Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN9, EN19 and DM1 of the Manchester Core Strategy (July 2012).

- 8) (a) The PBSA plot shall be carried out in accordance with the Work and Skills Local Labour Construction - Proposal and Reporting Template received by the City Council, as Local Planning Authority, on the 15 September 2025 (as approved under CDN/25/0739). In this condition a Local Labour Proposal means a document which includes: i) the measures proposed to recruit local people including apprenticeships ii) mechanisms for the implementation and delivery of the Local Labour Proposal iii) measures to monitor and review the effectiveness of the Local labour Proposal in achieving the objective of recruiting and supporting local labour objectives (b) Within one month prior to construction work for the PBSA plot being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority. (c) The Scie Tech Building shall be carried out in accordance with the Local Labour Proposals received by the City Council, as Local Planning Authority, on the 10 October 2025 (as approved under CDN/25/0981). In this condition a Local Labour Proposal means a document which includes: i) the measures proposed to recruit local people including

apprenticeships ii) mechanisms for the implementation and delivery of the Local Labour Proposal iii) measures to monitor and review the effectiveness of the Local labour Proposal in achieving the objective of recruiting and supporting local labour objectives (d) Within one month prior to construction work for the Sci-Tech plot being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority. Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

- 9) (a) The PBSA plot materials shall be carried out in accordance with Details received by the City Council, as Local Planning Authority, on the 31 July 2025 (as approved under CDN/25/0739). (b) Prior to the commencement of the Sci-Tech plot of the development (excluding demolition works), all material to be used on all external elevations of the relevant plot of development shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the submission of samples (including a panel) and specifications of all materials to be used on all external elevations of the development along with jointing and fixing details, window reveals and soffits, details of the drips to be used to prevent staining in, ventilation/air brick and a strategy for quality control management. The approved materials shall then be implemented as part of the relevant plot of the development. Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.
- 10) The drainage for the development shall be carried out in accordance with Drainage Strategy Technical Note Upper Brook Street, Manchester UBS-HDR-BB-XX-DN-C-100001 240 Blackfriars Road August 7, 2025 and Appendices by HDR stamped as received on 29-08-25; and Dwg UBS-HDR-BB-XX-DR-C-102100 Rev P04 stamped as received on 22-10-25 (as approved under CDN/25/0826) (b) The development shall then be constructed in accordance with the approved details, within an agreed timescale. Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution pursuant to policies SP1, EN14 and DM1 of the Manchester Core Strategy (2012).
- 11) (a) The Life Science plot shall be carried out in accordance with the Geo-Environmental Assessment Report prepared by Delta-Simons received by the City Council, as Local Planning Authority, on the 14 April 2025 (as approved under CDN/25/0359). The development shall be carried out in accordance with the above information including maintaining a watching brief at the site in accordance with the following: In the event that ground contamination, groundwater contamination and/or ground gas are encountered on the site at any time before the development is occupied during the watching brief, then development shall cease and/or the development shall not be occupied until a report detailing what measures, if any, are required to remediate the land (the Remediation Strategy), is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the agreed Remediation Strategy and validated. If no contamination is found, then a post-completion report shall be submitted to evidence this prior to occupation of the development. b) The PBSA plot shall be carried out in accordance with the MAUBS-CLB-XX-XX-RP-OT-000001 Geoenvironmental Appraisal, MAUBS-CLB-XX-XX-RP-OT-000002 Hazardous Gas Risk Assessment and MAUBS-CLB-XX-XX-RP-OT-000003 Remediation Strategy & Verification received by the City Council, as Local Planning

Authority, on the 31 July 2025 (as approved under CDN/25/0739). c) When the development at both plots commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy. Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

- 12) If, during the development, contamination or conditions not previously identified as part of the agreed documents within condition 11 are found to be present at the site (or in the monitored vicinity) then no further operations shall be carried out until a strategy which details how this unsuspected circumstance shall be dealt with has been submitted for approval in writing by the City Council, as Local Planning Authority. The approved strategy shall then be implemented and then verified as required by condition 20. Reason - To ensure that the works to be undertaken do not contribute to, or adversely affect, unacceptable levels of water pollution from previously unidentified contamination sources pursuant to policies EN17 and EN18 of the Manchester Core Strategy (2012).
- 13) Prior to a plot of development hereby approved being brought into first use, and following completion of the remediation strategy approved as part of condition (11), a Completion/Verification Report shall be submitted for approval in writing by the City Council as Local Planning Authority. This shall demonstrate that the completion of works has been carried out in accordance with the approved remediation strategy and has been effective. The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. Reason - To ensure that the site has been appropriately remediated prior to the commencement of works associated with the redevelopment of the site, pursuant to policies EN17, EN18 and DM1 of the Manchester Core Strategy (2012).
- 14) (a) The Sci-Tech plot shall be carried out in accordance with the Invasive Non-Native Plant Species Method Statement prepared by Brooks Ecological received by the City Council, as Local Planning Authority, on the 14 April 2025 (as approved under CDN/25/0359). The agreed management strategy shall be implemented in full for the duration of the development. (b) The PBSA plot shall be carried out in accordance with the Brooks Ecological have prepared an 'Invasive Non-Native Plant Species Method Statement' (dated July 2025) received by the City Council, as Local Planning Authority, on the 31 July 2025 (as approved under CDN/25/0739) The agreed management strategy shall be implemented in full for the duration of the development. Reason -In the interest of managing invasive species at the application site pursuant to policy EN14 of the Manchester Core Strategy (2012).
- 15) (a) The Sci-Tech plot shall be carried out in accordance with the Hedgehog Site Inspection and RAMS document prepared by Brooks Ecological received by the City Council, as Local Planning Authority, on the 14 April 2025 (as approved under CDN/25/0359). The agreed method statement shall be implemented in full for the duration of the development. (b) The PBSA plot shall be carried out in accordance with the Hedgehog Site Inspection & RAMS, prepared by Brooks Ecological received by the City Council, as Local Planning Authority, on the 16 April 2025 (as approved under CDN/25/0366). The agreed method statement shall be implemented in full for the duration of the development. Reason -In the interest of minimising impact on hedgehogs at the application site pursuant to policy EN14 of the Manchester Core Strategy (2012).

- 16) Prior to the first use of a plot the development, details of the implementation, maintenance and management of the sustainable drainage scheme for that phase shall be submitted for approval in writing by the City Council, as Local Planning Authority. The scheme shall include the following: - Verification report providing photographic evidence of construction; and - Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime. The approved scheme shall then be implemented in accordance with the details and thereafter managed and maintained for as long as the development remains in use. Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution pursuant to policies SP1, EN14 and DM1 of the Manchester Core Strategy (2012).
- 17) The development shall be carried out in accordance with the BWB Energy Statement (PBSA) Cundall, Energy Statement (Sci-Tech) Wallace Whittle received by the City Council, as Local Planning Authority, on the 3 August 2023. A post construction review certificate/statement for each plot of the development shall be submitted for approval in writing, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority for that plot. Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.
- 18) The Sci-Tech Building (Plot B) hereby approved shall achieve a post-construction Building Research Establishment Environmental Assessment Method (BREEAM) rating of at least a 'Excellent' rating. Post construction review certificate(s) shall be submitted to, and approved in writing by the City Council as local planning authority, within SIX months of the buildings hereby approved being first occupied. Reason - In order to minimise the environmental impact of the development, pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy, and the principles contained within The Guide to Development in Manchester SPD (2007), and the National Planning Policy Framework.
- 19) (a) Notwithstanding drawings UBS-RFM-XX-00-DR-L-0101, UBS-RFM-XX-00-DR-L-0105, UBS-RFM-XX-00-DR-L-0106, UBS-RFM-XX-00-DR-L-0107, UBS-RFM-XX-00-DR-L-0108, UBS-RFM-XX-00-DR-L-0109, UBS-RFM-XX-XX-DR-L-8001, UBS-RFM-XX-XX-DR-L-8002 and UBS-RFM-XX-XX-DR-L-8003 received by the City Council, as Local Planning Authority, on the 15 July 2025, prior to the commencement of landscaping works associated with a plot of the development hereby approved, details of a hard and soft landscaping scheme (including appropriate materials specifications, street trees and provision of 34 cycle spaces within the public realm) shall be submitted for approval in writing by the City Council as Local Planning Authority. (b) The approved scheme shall be implemented prior to the first use of the plot of the development If within a period of 10 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place. Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

- 20) Prior to the first use of a plot of the development hereby approved, full details of the specification and locations of bat and bird boxes, shall be submitted to and approved in writing by the City Council as Local Planning Authority. The bat and bird boxes shall be installed prior to the completion of a plot of the development and therefore be retained and remain in situ. Reason - To ensure the creation of new habitats in order to comply with policy EN15 of the Manchester Core Strategy (2012).
- 21) a) Prior to the first occupation of a plot of the development hereby approved, details of any externally mounted ancillary plant, equipment and servicing shall be submitted for approval in writing by the City Council, as Local Planning Authority. Externally mounted plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5 dB (L_{Aeq}) below the typical background (LA₉₀) level at the nearest noise sensitive location. (b) Prior to the first use of a plot of the development, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non-conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. A verification report and measures shall be agreed until such a time as the development complies with part (a) of this planning condition. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority. Any measures shall thereafter retained and maintained in situ. Reason - To minimise the impact of plant on the occupants of the development pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).
- 22) The non residential areas (gym, commercial uses, community spaces) within the PBSA plot of the development shall be carried out in accordance with Cundall Johnston & Partners LLP Noise Impact Assessment received by the City Council, as Local Planning Authority, on the 30 September 2025 (as approved under CDN/25/0938). Where entertainment noise is proposed the L_{Aeq} (entertainment noise) shall be controlled to 5dB below the LA₉₀ (without entertainment noise) in each octave band at the facade of the nearest noise sensitive location, and internal noise levels at structurally adjoined residential properties in the 63Hz and 125Hz octave frequency bands shall be controlled so as not to exceed (in habitable rooms) 47dB and 41dB (L_{eq,5min}), respectively (b) Prior to the first use of those spaces within a relevant plot of the development, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non-conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. A verification report and measures shall be agreed until such a time as the development complies with part (a) of this planning condition. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority. Any measures shall thereafter retained and maintained in situ. Reason - In order to limit the outbreak of noise from the commercial premises pursuant to policies SP1 and DM1 of the Core Strategy (2007) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

- 23) (a) The proposed student accommodation (Plot C) shall be acoustically insulated against noise in accordance with the - Cundall Johnston & Partners LLP Noise Impact Assessment received by the City Council, as Local Planning Authority, on the 30 September 2025 (as approved under CDN/25/0938). The approved noise insulation and ventilation scheme shall be completed before the first occupation of the student accommodation plot C of the development. (b) Prior to the first occupation of the student accommodation within plot C, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met with windows and purge vent doors closed. In instances of non-conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. A verification report and measures shall be agreed until such a time as the development complies with part (a) of this planning condition. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority. Any measures shall thereafter retained and maintained in situ. Reason: To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance pursuant to policies SP1, H1 and DM1 of the Core Strategy (2007) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).
- 24) The waste management for the Plot B 'Sci Tech Building' shall be carried out in accordance with the General Arrangement Ground Floor Plan (ref. UBS SRA ZZ 00 DR A 201000) and General Arrangement Enlarged- Ground Floor Zone D (ref. UBS SRA ZD 00 DR A 204003) received by the City Council, as Local Planning Authority, on the 20 August 2025 (as approved under CDN/25/0798). The approved scheme shall be implemented as part of the first use of Plot B of the and shall remain in situ whilst the use or development is in operation. Reason - To ensure adequate refuse arrangement are put in place for the Sci-Tech element of the scheme pursuant to policies EN19 and DM1 of the Manchester Core Strategy.
- 25) The Plot C 'PBSA Building' of the development hereby approved shall be carried out in accordance with the Waste Management Strategy received by the City Council, as Local Planning Authority, on the 30 September 2025 (as approved under CDN/25/0938). The approved scheme shall be implemented as part of the first use of Plot C of the and shall remain in situ whilst the use or development is in operation. Reason - To ensure adequate refuse arrangement are put in place for the PBSA element of the scheme pursuant to policies EN19 and DM1 of the Manchester Core Strategy.
- 26) The development hereby approved shall include a building and site lighting scheme including details of illumination of external areas, during the period between dusk and dawn and details of lighting being turned off when not in use. Full details of such a scheme for each plot of the development shall be submitted for approval in writing by the City Council, as Local Planning Authority before the first use of the development hereby approved. The approved scheme shall be implemented in full for each plot of the development prior to the first use of each plot and shall remain in operation for so long as the development is occupied. Reason - In the interests of amenity, crime reduction, personal safety, the safety of the tram lines and impact on the canal corridor in order to comply with the requirements of policies SP1 and DM1 of the Manchester Core Strategy (2012).

- 27) If any lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority. Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).
- 28) The development hereby approved shall be carried out in accordance with the Crime Impact Assessment Greater Manchester Police received by the City Council, as Local Planning Authority, on the 3 August 2023. Each plot of the development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a Secured by Design accreditation. Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Manchester Strategy (2012) and to reflect the guidance contained in the National Planning Policy Framework.
- 29) (a) Deliveries, servicing and collections including waste collections for the PBSA plot shall not take place outside the following hours: Monday to Saturday 07:30 to 20:00 Sundays (and Bank Holidays): 10:00 to 18:00 (b) Prior to the first occupation of the Sci-Tech Building (Plot B) hereby approved a detailed deliveries, servicing and collections management strategy shall be submitted to and approved in writing by the Local Planning Authority. Once approved the strategy should be implemented in full at all times when the Sci-Tech Building is in use Reason - In the interest of residential amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).
- 30) The student accommodation element of the development hereby approved shall be used as purpose built student accommodation (PBSA) (Sui Generis) during term time only except for: i) when non-term time PBSA use by students is permitted when provided under the provisions of an individual PBSA tenancy which is principally for term time use; or ii) a maximum of 35% of the PBSA beds being used outside of term time under separate short-term letting agreements for students attending higher education providers, with a minimum term of one week. The student accommodation element of the development hereby approved shall be used for no other purpose of The Town and Country Planning (Use Classes) Order 1987 (or any order revoking and re-enacting that Order with or without modification) (including serviced apartments/apart hotels, or similar uses (other than the PBSA use specifically permitted by this condition) where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) Reason - To ensure that the accommodation is used solely for the intended purpose - student accommodation and to safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

- 31) The development hereby approved shall be carried out in accordance with the Travel Plan (ES Chapter 11 Appendix) Civic Engineers received by the City Council, as Local Planning Authority, on the 3 August 2023. In this condition a Travel Plan means a document which includes: i) the measures proposed to be taken to reduce dependency on the private car by those living at the development; ii) a commitment to surveying the travel patterns of residents/staff during the first three months of the first use of the building and thereafter from time to time iii) mechanisms for the implementation of the measures to reduce dependency on the private car iv) measures for the delivery of specified Travel Plan services v) measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car Within six months of the first use of the each plot of the development, a Travel Plan which takes into account the information about travel patterns gathered pursuant to item (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority. Any Travel Plan which has been approved by the City Council as Local Planning Authority shall be implemented in full at all times when the development hereby approved is in use. Reason - To assist promoting the use of sustainable forms of travel at the development, pursuant to policies T1, T2 and DM1 of the Manchester Core Strategy (2012).
- 32) (a) Prior to the first occupation of the student accommodation (Plot C) hereby approved, the cycle store and provision of 185 cycle stands as indicated on drawing UBS-SRA-SA-00-DR-A-02-600 P01 received by the City Council, as Local Planning Authority, on the 3 August 2023 shall be implemented and made available for the occupants of the development. The cycle store shall remain available and in use for as long as the development is occupied. (b) The number of cycle spaces shall be reviewed annually as part of the travel plan requirements of condition 31 of this planning permission (commencing from the date of this permission). The survey shall be completed within 7 days of each annual review date and the results of the survey provided to the City Council within 7 days thereafter. Any additional cycle spaces identified as part of this review shall be implemented within two months of approval of the annual agreement. Reason - To ensure there is sufficient cycles stand provision at the in order to support modal shift measures pursuant to policies SP1,T1, T2 and DM1 of the Manchester Core Strategy (2012).
- 33) (a) Prior to the first occupation of the Sci-Tech Building (Plot B) hereby approved, the cycle store and provision of 82 cycle stands as indicated on drawing UBS-SRA-ST-00-DR-A-02-500 P01 received by the City Council, as Local Planning Authority, on the 3 August 2023 shall be implemented and made available for the occupants of the development. The cycle store shall remain available and in use for as long as the development is occupied. (b) The number of cycle spaces shall be reviewed annually as part of the travel plan requirements of condition 36 of this planning permission (commencing from the date of this permission). The survey shall be completed within 7 days of each annual review date and the results of the survey provided to the City Council within 7 days thereafter. Any additional cycle spaces identified as part of this review shall be implemented within two months of approval of the annual agreement. Reason - To ensure there is sufficient cycles stand provision at the in order to support modal shift measures pursuant to policies SP1,T1, T2 and DM1 of the Manchester Core Strategy (2012).
- 34) Prior to the first occupation of the development hereby approved a scheme of highway works and details of footpaths reinstatement/public realm for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the following: - Traffic Regulation Order

(TROs) lining refresh along Cottenham Street; - Provision of seven accessible bays along Kincardene Road including appropriate TRO; - Exploration of the provision of a car club bay to serve the development including appropriate TRO; - Footway reinstatement, tactile paving and new dropped kerbs (including creation of 2 metre footways and emergency access); - Resurfacing of footways to Upper Brook Street and Kincardine Road; - Measures to restrict parking to the North West and Thornburn Walk via Upper Brook Street to prohibit parking; - Creation of two loading bays to Kincardine Road including a time limited TRO; - Amendment to existing TRO on Kincardine Road; - Creation of an uncontrolled crossing to Kincardine Road just south of Whitekirck Close and extension to Whitekirck close footways; - modelling assessment for the provisional removal of staggered element of existing Toucan Crossing at Upper Brook Street and associated works if modelling supports its removal; - Adoption strategy for the works to adopted highway. The approved scheme shall be implemented and be in place prior to the first occupation of the development and thereafter retained and maintained in situ. Reason - To ensure safe access to the development site in the interest of pedestrian and highway safety pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

- 35) Notwithstanding the TV and Radio Reception Impact Assessment GTech Surveys, received by the City Council, as Local Planning Authority, on the 3 August 2023, within one month of the practical completion of a plot of the development, and at any other time during the construction of the development if requested in writing by the City Council as Local Planning Authority, in response to identified television signal reception problems within the potential impact area a study to identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out above shall be submitted for approval in writing by the City Council, as Local Planning Authority. The measures identified must be carried out either before each plot of development is first occupied or within one month of the study being submitted for approval in writing to the City Council as Local Planning Authority, whichever is the earlier. Reason - To provide an indication of the area of television signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built, will affect television reception and to ensure that the development at least maintains the existing level and quality of television signal reception - In the interest of residential amenity, as specified in policy DM1 of Manchester Core Strategy (2012).
- 36) All windows at ground level, unless shown otherwise on the approved drawings detailed in condition 3 shall be retained as a clear glazed window opening at all time and views into the premises shall not be screened or obscured in anyway. Reason - The clear glazed window(s) is an integral and important element in design of the ground level elevations and are important in maintaining a visually interesting street-scene consistent with the use of such areas by members of the public, and so as to be consistent with saved policy DC14 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy (2012).
- 37) The development hereby approved shall include for full disabled access to be provided to all areas of public realm and via the main entrances and to the floors above. Reason - To ensure that satisfactory disabled access is provided by reference to the provisions Manchester Core Strategy (2012) policy DM1.
- 38) The accessible bedrooms for the PBSA (Plot C) (minimum of 1.2% of the PBSA accommodation) shall be carried out in accordance with drawings - MAUBS-SRA-XX-XX-RP-AR-04990 -P05, MAUBS-SRA-XX-ZZ-DR-AR-20150-P05, MAUBS-SRA-

XX-ZZ-DR-AR-20151-P05, MAUBS-SRA-XX-ZZ-DR-AR-20152-P05, MAUBS-SRA-XX-ZZ-DR-AR-20157-P05, MAUBS-SRA-XX-ZZ-DR-AR-70105-P05, MAUBS-SRA-XX-ZZ-DR-AR-70106-P05, MAUBS-SRA-XX-ZZ-DR-AR-70112-P05, MAUBS-SRA-XX-ZZ-DR-AR-74100-P04, MAUBS-SRA-ZZ-00-DR-AR-43700-P03, MAUBS-SRA-ZZ-XX-DR-AR-74205-P04, MAUBS-SRA-ZZ-XX-DR-AR-74206-P04 and MAUBS-SRA-ZZ-XX-DR-AR-74207-P03 received by the City Council, as Local Planning Authority, on the 30 September 2025 (as approved under CDN/25/0938). The approved details shall be implemented as part of the development and thereafter retained and maintained in situ. Reason - In the interest of ensuring the accommodation is accessible to all pursuant to policy DM1 of the Manchester Core Strategy (2012).

- 39) Prior to the first use of a plot of the development hereby approved a signage strategy for the each building plot shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved strategy shall then be implemented and used to inform any future advertisement applications for the building. A minimum of one projecting box sign would be acceptable for each commercial use (30mm thickness) and ground floor sign to commercial and community spaces should be situated behind the glass). Reason - In the interest of visual amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).
- 40) Prior to the first use of Plot B Sci Tech Building hereby approved, details of the specification, siting, scale and appearance of the solar panels to the roof (including cross sections). The approved details shall then be implemented prior to the first use of the Sci-Tech Building and thereafter retained and maintained in situ. Reason - In the interest of ensuring the solar panels are of the appropriate specification and appearance in the interest of the overall sustainability of the building and visual amenity pursuant to policies SP1, EN1, EN6 and DM1 of the Manchester Core Strategy (2012).
- 41) Prior to the first use of a plot of the development, details of the siting, scale and appearance of the air source heat pumps to the buildings hereby approved. The air source heat pumps must also comply with the noise criteria as specified in condition 21. The approved details shall then be implemented prior to the first use of the development and thereafter retained and maintained in situ. Reason - In the interest of ensuring the air source heat pumps are installed and to ensure that they are appropriate in terms of visual amenity pursuant to policies SP1, EN1, EN6 and DM1 of the Manchester Core Strategy (2012).
- 42) Prior to the first use of the external areas of a plot of the development, details of any external areas associated (including an Operating Schedule) shall be submitted for approval in writing by the City Council, as Local Planning Authority. The Operating Schedule shall contain the following details: a. A scaled layout plan showing the proposed seating area, including layout of furniture and demarcation of the area; b. Full details of the measures proposed to ensure that the proposed seating area is fully accessible by disabled people; c. Details of the proposed furniture, including any barriers; d. A detailed management strategy that includes information on how the proposed external seating area would be managed in terms of potential noise disturbance, additional movement and activity, litter and storage of furniture at night; e. days and hours of operation. The approved plan shall be implemented upon first use of the development and thereafter retained. No amplified sound or any music shall be produced or played in any part of the site outside the building. Reason - To

safeguard the amenities of the occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

- 43) Prior to the first use of the roof terraces associated with Plot C PBSA Building, the opening hours for the roof terrace shall be submitted for approval in writing by the City Council, as Local Planning Authority. The roof terrace shall only operate in accordance with the roof terrace opening hours. There shall be no amplified sound or music used at the roof terrace. Reason - In the interest of residential amenity pursuant to policy DM1 of the Manchester Core Strategy (2012) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).
- 44) Prior to the first use of the commercial units and community space within a plot of the development, details of a scheme to extract fumes, vapours and odours from these spaces shall be submitted for approval in writing by the City Council, as Local Planning Authority (unless no kitchen extraction or cooking facilities are required). The approved scheme shall then be implemented prior to the first use of each of these spaces and thereafter retained and maintained in situ. Reason - To ensure appropriate fume extraction is provided for the non residential spaces pursuant to policies SP1 and DM1 of the Manchester Core Strategy and saved policy DC10 of the Unitary Development Plan for the City of Manchester (1995).
- 45) Prior to the first use of the commercial units and community centre within a plot of the development, a schedule of opening hours shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved hours shall then be implemented and thereafter the uses shall operate in accordance with them. There shall be no amplified sound or any amplified music at any time within these spaces unless it can be shown as part of condition 22 that there would be no unacceptable impact on residential amenity. Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.
- 46) Each commercial unit and community centre shall remain as one unit and shall not be sub divided or amalgamated without the benefit of planning permission being secured. Reason- In the interests of residential amenity and to ensure the future viability and vitality of the commercial units pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1, C5 and SP1 of the Manchester Core Strategy.
- 47) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking and re-enacting that Order with or without modification): - Plot B 'Sci-Tech Building' hereby approval shall only be used for office and laboratory spaces (Use Class E (g)(ii)) and 265sqm of a cafe/bar (Use Class E (b)) - Plot C 'PBSA building' hereby approved shall only be used for Purpose Built Student Accommodation (PBSA) (Use Sui Generis), comprising 737 bedrooms and 293sqm of community use (Use Class F2 (b)) and 80sqm of commercial floorspace (Use Class E - excluding convenience retail and gym) Reason - In the interest of retaining the provision of office space and PBSA within the development pursuant to policies EC1, EC4 of the Manchester Core Strategy (2012) and the Oxford Road SRFG.
- 48) Prior to the first use of each of the commercial units in a plot of the development, details of any roller shutters to the ground floor of the premises shall be submitted for approval in writing by the City Council, as Local Planning Authority. The shutters

shall be fitted internally to the premises. The approved details shall be implemented prior to the first use of each of the commercial units within a plot of the development and thereafter retained and maintained in situ. Reason - To ensure that the roller shutters are appropriate in visual amenity terms pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

- 49) No doors to commercial units (other than those designated as fire exits) shall open outwards onto adjacent pedestrian routes. Reason - In the interest of pedestrian safety pursuant to policy DM1 of the Manchester Core Strategy (2012).
- 50) Prior to the first use of each plot of the development, the seven disabled car parking spaces shall then be implemented, made available and remain in situ for as long as the development remains in use. Reason - To ensure sufficient disabled car parking is available for disabled occupants of the development pursuant to policies SP1, T1, and DM1 of the Manchester Core Strategy (2012).
- 51) (a) The PBSA building shall be carried out in accordance with the Landscape and Ecology Management Plan, ref- ER-6550-02 Received by the Local Planning Authority on 11 June 2026 (as approved under OTH-2026-000664). The LEMP shall then be implemented as part of the relevant phase of development and remain in for the duration of the plan.
- (b) Prior to the first occupation of the Sci-tech plot, a detailed 30 year landscape environmental management plan (LEMP) for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include details of how the public realm and hard and soft landscaping areas for the relevant development will be maintained including maintenance schedules and repairs. The LEMP shall then be implemented as part of the relevant phase of development and remain in for the duration of the plan. Reason - To ensure that the satisfactory landscaping scheme for the development is maintained in the interest of the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.
- 52) (a) The development hereby approved shall be carried out in accordance with the BNG Assessment Brooks Ecological received by the City Council, as Local Planning Authority, on the 3 August 2023. (b) (i) The Sci-Tech Plot shall be carried out in accordance with the Biodiversity Net Gain (BNG) Update: Upper Brook Street, Kadans - prepared by Brooks Ecological, July 2025; The Biodiversity Metric 3.1 Calculation Tool, Whole Site- prepared by Brooks Ecological, July 2025; and The Biodiversity Metric 3.1 Calculation Tool, Kadans Site- prepared by Brooks Ecological, July 2025 Received by the City Council, as Local Planning Authority, on the 20 August 2025 (as approved under CDN/25/0798). (ii) The PBSA plot shall be carried out in accordance with the - Biodiversity Net Gain (BNG) Update: Upper Brook Street, McLaren- Prepared by Brooks Ecological, The Biodiversity Metric 3.1 Calculation Tool, McLaren Site- prepared by Brooks Ecological August 2025, The Biodiversity Metric 3.1 Calculation Tool, Whole Site- prepared by Brooks Ecological received by the City Council, as Local Planning Authority, on the 30 September 2025 (as approved under CDN/25/0938). (c) Prior to the first use of each plot of the development agreed within part (a) of this condition, a verification report for that plot will be required to validate that the works undertaken at that stage conforms to the recommendations and required approved within part of part (b) of this planning condition including its contribution towards the minimum 10% biodiversity net gain. (d) In instances of non-conformity, these shall be detailed along with mitigation

measures required to ensure compliance with the Biodiversity Net Gain Assessment. A verification report and measures shall be agreed until such a time as Construction Phases of development comply with parts (a), (b) and (c) of this planning condition. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local Planning Authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place. Reason - In the interest of securing a biodiversity mitigation strategy for the Red Bank Neighbourhood pursuant to policies SP1, EN9, EN17 and DM1 of the Manchester Core Strategy (2012).

- 53) Notwithstanding the provisions Class O of Part 3 of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) any Class E office accommodation shall be retained for the purposes of Class E office accommodation within of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of Class E. Reason - To safeguard the office accommodation as part of maintaining the supply of suitable and sustainable office accommodation in this part of the City particularly accommodation suitable for small business pursuant to policies SP1 and EC1 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.
- 54) Prior to the first use a Delivery and Servicing Management Strategy for plots B and C' shall be submitted for approval in writing by the City Council, as Local Planning Authority. The strategy should work to ensure that servicing/delivery activities across both buildings are co-ordinated to ensure efficient use of the proposed loading bays and service yard. The strategy shall include the following: - That vehicles utilising the Sci-Tech service yard are of a dimension to allow access and egress from Cottenham Street in forward gear. - Details regarding management arrangements for the PBSA loading bay including infrequent plant maintenance movements. Such movements would also require banksman support as access will be required by reversing into the site from Kincardine Road. - Food/parcel deliveries, particularly for the proposed student accommodation, providing clear direction on the following:
 - o Designated delivery drop-off points: This could be a specific lobby area or a central location easily accessible to delivery drivers.
 - o Provision of clear signage in common areas to guide delivery drivers to the drop-off point.
 - o Inform all new residents on the designated drop-off point and any specific rules or guidelines they need to follow when receiving deliveries.
 - o Annual review how the drop-off process is working and encourage resident feedback.
 - o Set up a secure delivery holding area within the development.
 - o Signage to direct operatives to relevant areas;
 - o Monitor Security Concerns.The approved strategy, including any associated mitigation works, shall be implemented and be in place prior to the first occupation of the development and thereafter retained and maintained in operation. Reason - To ensure appropriate servicing management arrangements, particularly for food and deliveries, are put in place for the development in the interest of highway and pedestrian safety pursuant to policy SP1 and DM1 of the Manchester Core Strategy (2012).

- 55) a) Prior to the first occupation of Plot C 'PBSA' a Student move in/move out Operation Management Strategy shall be submitted for approval in writing by the City Council, as Local Planning Authority. The strategy should include provision of time slots and management arrangements as stipulated in the Transport Assessment received by the City Council, as Local Planning Authority, on the 3 August 2023. The approved strategy, including any associated mitigation works, shall be implemented and be in place prior to the first occupation of Plot C of the development and thereafter retained and maintained in operation. b) Notwithstanding the Accommodation Management Plan received by the City Council, as Local Planning Authority, on the 6 October 2025, a bespoke management plan for the non term time uses specified in condition 30 shall be submitted for approval in writing by the City Council, as Local Planning Authority. The bespoke management plan shall include the management arrangements for the students present within the building particularly management of external areas, active travel plan and measures to discourage use of surrounding residential streets for parking. The approved plan shall be implemented upon the first occupation of the PBSA element of the development and thereafter retained whilst the development is in use. Reason - To ensure appropriate servicing management arrangements for moving in and out of the development are put in place and a bespoke plan is put in place for non term time use for the development in the interest of highway and pedestrian safety pursuant to policy SP1 and DM1 of the Manchester Core Strategy (2012).
- 56) Prior to the first occupation of Plot B, a strategy to prevent birds being attracted to the PV array shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall be implemented as part of the development and thereafter retained and maintained. Reason - In the interest of aerodrome safety pursuant to policy DM2 of the Manchester Core Strategy (2012).
- 57) The Sci Tech and PBSA buildings shall be carried out in accordance with the Wind Mitigation Strategy received by the City Council, as Local Planning Authority, on the 3 November 2025 (as approved under CDN/25/1057 and CDN/25/0938) The approved details shall be implemented and be in place prior to the first use of a plot of the development and thereafter retained and maintained in situ for as long as the development remains in use. Reason - In order to ensure appropriate wind mitigation is put in place pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).
- 58) (a) The demolition at the PBSA plot shall be carried out in accordance with the Construction demolition plan received by the City Council, as Local Planning Authority, on the 31 January 2025. Note the construction hours specified for Saturdays should be 08:30 to 14:00 (as approved under CDN/25/0092) Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended. The demolition at the PBSA plot of development shall be carried out in accordance with the approved construction management plans for the duration of the demolition and construction parts of the development. (b) The demolition at the Sci-Tech plot shall be carried out in accordance with the Construction Management Plan, stamped as received by the Local Planning Authority 7 May 2025 (as approved under CDN/25/0425). Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended. The demolition at the Sci-Tech plot of development

shall be carried out in accordance with the approved construction management plans for the duration of the demolition and construction parts of the development. Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN9, EN19 and DM1 of the Manchester Core Strategy (July 2012).

- 59) Prior to the first occupation of the PBSA building, a student wellbeing strategy shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved strategy shall be implemented as part of the first occupation of the development and thereafter retained. Reason - In the interest of ensure student welfare pursuant to policy DM1 of the Manchester Core Strategy (2012).
- 60) The development shall be carried out in accordance with the Flood Risk and Drainage Assessment (PBSA) Civic Engineers and Flood Risk and Drainage Assessment (Sci-Tech January 2024) received by the City Council, as Local Planning Authority, on the 9 January 2024. Reason - To reduce the risk of flooding to the proposed development and future occupants pursuant to policy EN17 of the Manchester Core Strategy (2012).
- 61) (a) The PBSA plot shall be carried out in accordance with the Condition 61 Statement received by the City Council, as Local Planning Authority, on the 15 September 2025 (as approved under CDN/25/0739). The measures detailed shall be retained and maintained thereafter throughout the lifetime of the development.
(b) The Life Sciences plot shall be carried out in accordance with the Drainage Statement has been prepared by HDR Consulting Ltd received by the City Council, as Local Planning Authority, on the 27 November 2025 (as approved under CDN/25/1132) The measures detailed shall be retained and maintained thereafter throughout the lifetime of the development. Reason - To reduce the risk of flooding to the proposed development and future occupants pursuant to policy EN17 of the Manchester Core Strategy (2012).
- 62) Prior to the first occupation of a building within the development, a flood evacuation plan for that building shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved flood evacuation plan shall be implemented upon first occupation of that building and thereafter retained and maintained in situ. Reason - To reduce the risk of flooding to the proposed development and future occupants pursuant to policy EN17 of the Manchester Core Strategy (2012).
- 63) The landscaping between the ownership boundaries shall be carried out in accordance with drawing UBS-RFM-XX-00-DR-L-8006 Tev P01 received by the City Council, as Local Planning Authority, on the 18 November 2025 The approved details shall be implemented as part of the development. Reason - to ensure there are satisfactory arrangements in place between the two ownership boundary to complete a compressive landscaping scheme including any short term temporary arrangements pursuant to policy SP1 and DM1 of the Manchester Core Strategy (2012).
- 64) Prior to any above ground works for the Sci Tech Building, details of a scheme to extract fumes, vapours and odours from these spaces together with the siting, scale and appearance of any flues, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved scheme shall then be implemented prior to the first use of the Sci Tech Building and thereafter retained and maintained in situ. Reason - To ensure appropriate fume extraction is provided

in respect of odour control and visual amenity for the Sci Tech Building pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

- 65) Prior to any above ground works for the Sci Tech Building, details of a scheme for a guardrail, shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall provide details of the siting, scale and appearance (including materiality and colour) of the guardrail and consideration of a demountable structure. The approved scheme shall then be implemented prior to the first use of the Sci Tech Building and thereafter retained and maintained in situ. Reason - To ensure appropriate guardrail is provided in respect of visual amenity for the Sci Tech Building pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address: www.manchester.gov.uk/roads-and-transport/street-naming-and-numbering

Date: 15 October 2026

Signed:

Julie Roscoe

Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.
2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.
4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.
