Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Waste and recycling will be separated into clearly labelled plastic bags and stored securely within the commercial premises until collection by a licensed waste carrier.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

The premises currently have a contracted weekly waste collection service provided by Biffa Waste Services Ltd. General non-hazardous waste, including food scraps, sweepings and packaging, is stored in approximately 14 plastic waste bags and collected once per week. Recyclable waste is segregated separately.

Ensure all bins in the store are accessible	X	
Ensure recycling facilities are as easy to access as general refuse	X	

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - Naturally ventilated to prevent odour build-up.

Hygiene - Regularly cleaned and disinfected, with spillages removed immediately.

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g., resident / management company

The shop owner or staff will be responsible for ensuring the waste bags are ready for collection from the designated collection point inside the premises.

Please ensure that you have attached:

Detailed plans of bin stores	X	
Location plans showing stores	X	
Location plans showing the proposed collection point and the route the collection vehicle will take (please refer to the Road, Vehicle and Waste Operative Access Specification – paying particular attention to turning space and reversing)	X	

Please ensure that you have completed this form in accordance with the latest version of GD04 Waste Storage and Collection Guidance for New Developments – v.7 September 2023, read in conjunction with the Waste and Recycling Service Standard found on the Council website.
