Location:

Part 2 – Particulars of decision

Manchester City Council gives notice that prior approval is required and has been **refused** for the details of the application referred to in Part 1 for the following reason(s):

1) The proposed development does not constitute permitted development under Schedule 2, Part 6, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The site lies within 3 kilometres of the perimeter of an aerodrome, and part of the proposed building would exceed 3 metres in height above the adjacent ground level. The proposal therefore fails to comply with limitation A.1(f) of Class A and is not permitted development. The prior approval procedure is not available, and prior approval is therefore refused.
